WELCOME FROM THE ORGANISERS

In just two years the Aquis Champions Tour has grown into one of Australia's highest profile and most popular show jumping events, attracting competitors and spectators from around Australia and overseas. Acknowledging the high standards we have set, last year we were awarded the 2016 Equestrian Australia Event of the Year.

Our success in the last two years means this year's event will be bigger and better than ever with competitors from New Zealand, Japan as well as every Australian State. This year we have more than 700 horses and riders who will battle it out for more than \$340,000 in prizemoney across nine days of competition. With some of the world's top jumpers in attendance, the competition is sure to be thrilling.

With the largest prize money pool offered in Australia for a current show jumping event; an international course designer; great organisation and a packed calendar of social events this year's Aquis Champions Tour was designed specifically for participants to ensure they are not only rewarded for excellence, but have the opportunity to meet and socialise with their fellow competitors. This mix of competitive tension and show jumping community comradery is what our event is all about.

We wish you all the best for the days ahead and safe riding.
